

## No longer.

The following shadeclotches are being discontinued:

All 8200 series	0365
All 8300 series	0301
All 8400 series	0401
All 8600 series	0402
All 8700 series	0403
All 8800 series	0406
	0411

When our current inventory is depleted, these shadeclotches will not be automatically restocked. Instead, each will be de-listed.

We remain sensitive to the replacement-band support needs of on-going projects, but we're moving forward with a de-listing process that provides sufficient notice to all concerned parties.

**Large orders in any series can be accommodated, though lead times and minimum-order limits will apply. Please contact your representative for additional details.**
